

Literary Awards – Willoughby City Council

Our Year Five students entered 'Our Local Wildlife' Short Story Writing Competition early this year. The competition is conducted by Willoughby City Council and we were very excited to have our school participate for the first time. Students entered a short story based on a water animal that lived in the Willoughby catchment area. Artwork was also an integral component of the competition.

We are pleased to announce that entries from St Philip Neri were judged to be of a high quality and a number of students were chosen to have either their story or art published
