

Our Curriculum - Mathematics

Kindergarten Parents Mathematics Morning

Ms. Colbert, our very skilled Kindergarten teacher ran a very successful 'Maths Morning' for parents. Sonia is a trained Numeracy Specialist in the 'Extending Mathematical Understanding' program.

Mai – Mathematical Assessment Interview

At the commencement of the school year St. Philip Neri teachers undertook 'Whole School Testing' in Mathematics. Each child was assigned a personal interview time where they had one to one questioning and answering tasks to complete with a teacher. This enabled the teachers to analyse the student's strengths and weaknesses in order to develop the best learning processes to help students move forward with their learning.
